

DBFZ HYGIENE STANDARDS FOR EVENTS & VISITOR TOURS

INFORMATION FOR GUESTS AT THE DBFZ

- **Registration is required.** Only registered guests are allowed to enter the DBFZ premises. It is therefore imperative that you register in advance for events and visitor tours using the registration form or e-mail.
- **No cold symptoms.** Please stay home with any suspicious symptoms of illness (e.g. fever, cough). Exceptions may apply in the case of certified cold.
- **Contact tracking.** For tracking purposes, we record the contact data of our participants. To do this, you register via the Corona Warning app or analog.
- **Compliance with hygiene rules.** For the protection of all persons present, we ask that hygiene rules be observed. This includes regular hand washing with subsequent disinfection, as well as coughing and sneezing in compliance with the etiquette.
- **Masks & distance.** We recommend the use of a mouth-nose protection. It is also recommended to avoid physical contact and keeping sufficient distance from each other.
- **Exclusion in case of non-compliance.** Participants in events and visitors who deliberately fail to comply with the DBFZ hygiene concept will be excluded from the event and expelled from the DBFZ premises. The inviting person is entitled to do this.
- **If you become ill with SARS-CoV-2 within 14 days of your visit to the DBFZ, you are required to notify the DBFZ. Please get in touch with your contact person or the safety specialist Dr. Katharina Böse by phone: +49(0) 341 2434-109**
