

SPEAKERS' FORM

Thank you for your submission to our Call for Abstracts for our 7th Forum on Hydrothermal Processes on 27/28 September 2022 in Leipzig.

In order to organise the event and for you to participate, we still need the following speaker document completed and signed and returned.

Please send it by to veranstaltungen@dbfz.de.

Details of the speaker

Academic title

First name

Last name

Company

For the presenter

Key data on your expertise

For the presentation of your person, please tell us in two to three sentences the most important professional stations/activities for you. These will be made available to the moderator in advance.

For further communication

How can we best reach you in the further course and, if necessary, at short notice in an emergency?

Your contact details

Phone

Mobile

Email

For further event marketing

In order to market the event well, our public relations department will prepare and send out press articles and postings for social media (LinkedIn and Twitter). Are you available in principle for a short background interview or a quote in the run-up to the event? Of course, details will be discussed with you in the run-up to the event.

Which social networks do you use?

When promoting the event on social networks, we would like to mark you as a spokesperson. If you agree, please enter your username or the link to your profile here. or the link to your profile:

Twitter

LinkedIn

XING

Your consent

After the event, participants and other interested parties will be able to access a conference reader with approved presentations on the DBFZ website. We need your consent for this.

I agree to the publication of my presentation in the conference reader as follows:

my official contact details may be published

the submitted abstract may be published

the presentation slides can be published. (in this case, please also complete and sign the release form and return it to us).

In the event that the event is held online at short notice, I agree to a stream of my presentation.
